WAYNESBURG - Waynesburg Prosperous & Beautiful has been designated as an accredited National Main Street Program for meeting the commercial district revitalization performance standards set by the National Trust Main Street Center.

Each year, the National Trust and its partners announce the list of accredited Main Street® programs that have built strong revitalization organizations and demonstrate their ability in using the Main Street Four-Point Approach® methodology for strengthening their local economy and protecting their historic buildings.

"We congratulate this year's nationally accredited Main Street programs for meeting our established performance standards," said Doug Loesch, director of the National Trust Main Street Center. "Accredited Main Street programs are meeting the challenges of the recession head on and are successfully using a focused, comprehensive revitalization strategy to keep their communities vibrant and sustainable."

The organization's performance is annually evaluated by the Pennsylvania Downtown Center, which works in partnership with the National Trust Main Street Center to identify the local programs that meet 10 performance standards.

These standards set the benchmarks for measuring an individual Main Street program's application of the Main Street Four-Point Approach® to commercial district revitalization.

Evaluation criteria determines the communities that are building comprehensive and sustainable revitalization efforts and include standards such as developing a mission, fostering strong public-private partnerships, securing an operating budget, tracking economic progress, and preserving historic buildings.

"Additionally, the monetary investment of our donors and sponsors shows that many businesses and individuals believe in our mission and are willing to support the improvement of downtown Waynesburg."

Main Street Manager Larry Marshall agreed, adding, "Waynesburg Prosperous & Beautiful shares a common vision with Greene County, Waynesburg Borough and Waynesburg University.
