Claire Kreider, Miss Rain Day 2015, was a guest of the Waynesburg Chamber of Commerce general membership meeting on Feb. 24.

During the meeting, Kreider shared with the membership her experience of becoming Miss Rain Day and her involvement in numerous activities and service projects.

“Being announced as Miss Rain Day 2015 was a childhood dream come true,” Kreider said. “Along with the tiara and sash comes great responsibility, and I knew I wanted to dedicate my reign serving and representing the citizens of our community, my goal is to volunteer at least 365 hours, one for each day of my reign. Volunteering and serving others is extremely important to me and I have been very busy.”

Also attending the meeting were two representatives from Westmoreland County Community College: Larry Frank, coordinator of the WCCC Greene County Education Center; and Dr. Nancy Davis, Ed.D, community, education and industry liaison for WCCC.

Kreider was awarded an annual \$2,500 tuition scholarship from WCCC when she was crowned Miss Rain Day 2015.
